Courses must be 100 level or higher from a four-year accredited college offering a bachelor's degree. Required semester hours shall consist of non-duplicative coursework: examples: only one English Composition course or only one Algebra I course.

***These credits may be earned through coursework or through completion of an approved in-service program taken since July 1975 and approved by the Maine Department of Education's Certification Office. This requirement may not be met through experience.

Applicants for initial teacher certification must achieve a composite score of 468 on the three sections of the Core Academic Skills for Educators, with no single score on any section being more than three points lower than the required score above.

Applicants for certificates requiring bachelor's degrees may use passing scores on either the Pre-Professional Skills Test/PPST or the Core Academic Skills for Educators until 8-31-18. As of 9-1-18, all applicants must meet passing scores on the Core Academic Skills for Educators exams.

Applicants for certificates requiring the Principles of Learning and Teaching (PLT) PRAXIS exam for Secondary Grades 7-12 or Vocational (Career & Technical Education) Grades 9-12 may meet a passing score on either PLT Test Code 0524 or PLT Test Code 0624/5624 until 8-31-16. As of 9-1-16, all applicants must meet a passing score on test 0624/5624.

As of 9-1-15 the PLT Exam will not be required for CTE certification.

A provisional certificate is issued to an applicant who has met all of the requirements but has not taught for two school years in a Maine school with a Professional Learning Community Support System (PLCSS). Once an applicant has taught for two school years in a Maine school and been recommended for a five-year certificate by the local school district's PLCSS, the full five-year certificate will be issued.
